

Womanheart Immersion_(R) 2015

September 17-20 - Oracle, Arizona

Our 25th Anniversary !

Our Theme: "Crossing the Crossroads of Consciousness"

The vision of our founder, Sangeet Kaur Khalsa, sets the pace for what will undoubtedly be the most important Womanheart ever! These four days will provide a major turning point upward in the lives of all ladies who join us.

This year everyone on earth is going through the *Grand Consciousness Transit* which will determine how well we can move forward on our destiny path, past the blocks of our karma or fate. This requires us to rise to our highest level of consciousness and adopt personal practices that will enable us to maintain that rising spirit.

The time for this immersion is so important. We will be right at the "crossroads of consciousness" on our planet! September begins the final period when we can prepare ourselves for victory in the challenging times ahead as we pass through the energy vortex of 2016.

Sangeet's goal is to give all who come a critical matrix of lifestyle practices, kundalini yoga and deep meditations, linked to their personal numerology chart, that will assure each woman enhanced mental clarity, a commanding presence and the healing impact of true Aquarian leaders.

Each day we will rise before dawn for outdoor yoga and meditations, overlooking the beautiful vistas of the Tucson mountains. Nights will include live music, moonlight meditation and sharing time. Along with lectures and group discussions there will be time for play in the pool and hot tub and short hikes.

Accommodations are generally 3 to a casita with adjoining baths. Meals are deliciously vegan and gluten-free,

Many Womanheart grads return year after year for a re-immersion in lifestyle and sisterhood. Come walk your destiny path with a true sisterhood.
